WARRANTY AND REPAIR

The warranty period is 1 year from the date of purchase and includes spare parts and work units that are based on a manufacturing defect.

The following are excluded from the guarantee: Consumables (such as saw blades, milling cutters, carbon brushes, switches and ball bearings).

50€ will be charged for a cost estimate in the event that the customer does not have the repair carried out or does not buy a new machine. This fee does not apply to repairs or guarantees.
